Dear parents,

Greetings from Saveetha School of Engineering!!!

He has a **good academic performance**. We are delighted by our recent telephonic discussion about your ward's academic performance. He maintains **less than 80% attendance**, which reflects his dedication. Demonstrating consistent excellence in **classroom assessments**, he has exhibited her expertise and thorough grasp of the subject material. We are advised to participate in **NPTEL, sports, and cultural activities**. we acknowledge his preliminary efforts in preparing for upcoming hackathon events. We recommended that he engage in **additional debugging exercises** to enhance his programming skills.
